

Prodigy™ Connect 12

SEE MORE. DO MORE.

An integrated digital magnifier for the connected classroom!

The new Prodigy™ Connect 12 is more than a powerful digital magnifier with desktop and distance viewing. This ideal solution for students of all ages opens the window to an intelligent Android world, allowing free and open access to more than a million apps.

THE BIG PICTURE

The newest addition to the remarkable prodigi family

Smarter and more connected than all other low-vision products, HumanWare's new Prodigy Connect 12 is the evolution of the most advanced digital magnifier product line. This is the solution for low-vision users looking to enlarge print and images with the added benefit of instant connectivity in the classroom.

Lightweight and extremely portable

12.2-inch full HD touchscreen with direct access to object or document being viewed

Powerful, wireless camera – up to 40x magnification in full HD with integrated capture function

Long-lasting battery – up to 12 hours of use!

Open Android platform provides access to 1,500,000 apps and native synchronization with Google world

Google Docs, Drive, Gmail, Google+, Hangouts, Chrome (all preinstalled)

Smartboard connectivity (Promethean, TeamViewer, VNC)

Bookshare, BARD, Pyxyma, and many other content providers

TONS OF PRODIGI FEATURES

Intelligence and convenience in one powerful tool

Augmenting the Prodigy family's renowned attributes with a set of new features makes the Prodigy Connect 12 a powerful tool for low-vision users, whether they're at school, at work, at home or on the go.
