

MagniLink TAB

The MagniLink TAB is a complete and mobile tablet solution with high performance and user-friendly operation. Its space saving design makes it ideal for use in different locations – perfect for people on the go!

A complete solution

This tablet solution, based on a Microsoft Surface Pro, is a complete mobile solution. The unit is perfect for any smaller task, as well as for long term reading. Use it as a video magnifier with built in OCR or as a complete computer with access to everything – with endless possibilities!

Use the internal camera for reading or the high quality external camera for both distance and close-up viewing. This ensures optimized possibilities for reading, writing and object viewing.

Connect and communicate

MagniLink TAB is easily connected to your network with WiFi, and you can use different accessories connected with Bluetooth. Internet and other standard applications are only a click away – with MagniLink TAB, you can easily communicate with the rest of the world!

Flexibility

MagniLink TAB has a touch screen with low vision adapted buttons. The unit can also be controlled by gestures – or hotkeys, when connected to a Bluetooth keyboard. Features can be customized to meet the individual needs for each user.

Listen to your text

The high performance software is included, and with the built-in OCR and Text-to-Speech, your text can be read aloud for the best possible experience. Several different viewing modes are available for increased reading speed, reading endurance and a more relaxed reading.

Truly mobile

MagniLink TAB is foldable and lightweight with easy and quick startup. This is ideal for use in classrooms and workplaces and also on the go!

Available in three configurations

All configurations include the stand, external camera and software with Text-to-Speech. What sets the configurations apart is the following:

- The first configuration (MLTAB and MLTAB-2) includes a Microsoft Surface Pro Tablet with i5 processor and 8 GB RAM.
- The second configuration (MLTAB-P and MLTAB-2-P) includes a Microsoft Surface Pro Tablet with i7 processor and 16 GB RAM.
- The third configuration (MLTAB-SCS and MLTAB-2-SCS) does not include any tablet but an activation license for a tablet. Each individual is able to purchase a suitable Microsoft Surface Pro that meets the specific product requirements.
