

Odyssey

desktop text-to-speech reader

Enhance your next reading journey with the Odyssey... our compact, lightweight, easy-to-use text-to-speech reader features large, tactile keys and generates an incomparably streamlined reading experience.

**Reading a letter, a recipe
or any other document has
never been easier!**

Odyssey

With minimal set-up, you can capture and read everything from small text, such as product packaging, all the way to large, A3 documents. Once you're done, fold in the arm and stow it away... until your next journey!

- **Space-efficient design!**
- **Portable!**
- **Easy to use!**
- **Fast!**
